Patient Support and Financial Resources

Alabama Kidney Foundation ^[2]

This foundation has a variety of programs to assist patients suffering from kidney disease. A financial assistance program exists for dialysis patients, but current kidney patients in stages 1-4 of chronic kidney disease are not eligible. A maximum award of \$150 is available per patient. Income is not a factor for eligibility in this program. The patient must be on dialysis, a state resident and seek aid through their social worker.
