- **Adult Programs:** Health care services to eligible low-income residents of this state.
- **Programs for Children:** Child Health Plan Plus (CHP+) is low-cost health insurance for Colorado's uninsured children and pregnant women. CHP+ is public health insurance for children and pregnant women who earn too much to qualify for Medicaid, but cannot afford private health insurance.
- **Additional Programs:** If you have been denied health insurance due to a pre-existing medical condition, or have exhausted your COBRA benefits, we may be able to help. While CoverColorado is not a low income plan, this may be your best option if you are unable to obtain coverage elsewhere and can afford it. 1-888-770-1120.

#### **Health Reform Status:**

Exchange: Colorado will run its own state-based health insurance exchange.

Medicaid: The state will expand Medicaid eligibility.
