

Join Us for a Webinar on Slowing the Progression of Kidney Disease!

March is National Kidney Month, and March 12th is World Kidney Day. With 26 million American adults suffering from kidney disease, it is critical to spread awareness about the disease. Join us Monday, March 9th to hear from a nephrology nurse on how to slow the progression of kidney disease. Our webinar and conference call will take place at 3pm ET and is open to everyone. Please share this information with your facilities, friends and family that may be at risk for kidney disease.

To join the call, dial (877) 399-5186 and enter code 433-459-5474. To watch the webinar and follow along with slides that accompany the call, go to www.DPCEdCenter.org/education-call
