

Paying for Dialysis and Summary

Paying for Dialysis

Dialysis treatments are covered by private employer group health plans, Medicare, and Medicaid. There may be some out-of-pocket costs (co-payments, etc.) depending on the insurance. To learn more about dialysis treatment coverage and payments talk with a social worker or another member of your health care team

Summary

Even though there will need to be a few changes people can keep working, volunteering, and caring for their families. Learn as much as you can so you can choose the treatment that is best for you
