

## **?Transplant 101? Recording Now Available!**

The DPC Education Center held its second education call of 2016 last Wednesday on the basics of kidney transplantation. Medical professionals from the Christiana Care Transplant Center provided patients with extensive information about the transplant process, including: who can become a candidate for a kidney transplant, the steps individuals must take have their names added to the transplant list and how the transplant list works. If you were unable to listen to the call live, the recording can be found below. The Education Center's online classroom on transplantation can be [found here](#). Join the Education Center for its next education call on Living Well on Dialysis, scheduled for Tuesday, March 29, at 3:00 pm Eastern.
